

A "History Detective" worksheet Name _____

The question: What did kids your age read in the past?

Ask your folks (and some of the other adults in your life, especially grandparents) what they (or kids in general) were reading when they were about your age.

Use this format to report your answers:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:

When _____ was about my age,
kids were reading:
